Reminders

- Some parents have still not returned **computer or photo consent forms**. Your child cannot use a school computer without this permission. Please return to / ask the school office.
- Please make sure that everyday your child has a **school bag** which includes their school planner and water bottle.
- You **MUST NOT** use your **mobile phone** on school site.
- Please ensure your child has their school **PE kit** in school on their PE days and no jewellery comes in to school on those days.

School Nurse

We have a new school nurse! Her name is Tracey Smith and she is available to **support** all of our families with anything to do with the health of your child. She can be contacted on 07817 077021 or speak with us and we can make a referral about anything that may concern you.

Lettings

If you are interested in hiring our school hall for a special occasion or to lead an after school club, then please contact the school office. We charge £15 per hour for the first 2 hours and £12 per hour after that.

Books Galore!

This week we have been fully involved in books, books and more books! Our book fayre at parents' evening was very popular. World Book day yesterday saw so many lovely costumes and characters to come to school that assembly was very entertaining! We raised £177.81 for school fund to buy more books.

We also hosted the academy Book Quiz final here yesterday and Lapal Primary School won the competition this year. Well done to all pupils who took part and congratulations to Lapal Primary School!

Red Nose Day

We are inviting all pupils to wear clothes that do not match on Friday next week in support of Red Nose Day. If your child would like to participate then £1 donation per pupil or £2 per family will go to the charity.

There will be other red nose items available to buy on the day. If you would like to send your child with extra money to purchase items, then please make sure this is in a labelled purse, wallet or envelope and kept in their drawer in the classroom. We look forward to seeing their crazy clothes!

Planners

Please make sure that you and your child have **signed** the code of conduct on page 7 and rules for responsible use agreement on page 13 of the planner. This is to ensure that everyone is aware of our behaviour expectations and use the computers in school appropriately. As head teacher and chair of governors, we have already signed page 3 of the code of conduct so you know what to expect from us too.

Parents in Assembly

If you are invited in to assembly to see your child receive an award, please remain in the assembly until the end. This is respectful to all pupils involved and does not interrupt the assembly for others.
Thank you
