**Total Sports Premium Grant: £18,580**

**Total expenditure for 2018 /2019: £26,465.00**

# PE & Sport Premium

## Primary PE & Sports Premium - Introduction

## Hurst Hill Primary School

The Government has dedicated over £450 million upon improving the quality of physical education and sport within all UK primary schools since 2013. The funding is also allotted to address the improvement of children's healthy lifestyles with provision also made towards promoting other aspects of learning that impact upon health and well-being.

The funding is ring fenced and can only be spent upon initiatives that benefit the improvement of active healthy lifestyles. Schools can choose what they want to spend their grant upon but are accountable for ensuring that the Premium is spent appropriately. Both Department of Education and Ofsted have issued the mandatory requirement that schools must publish evidence online of their annual spend and impact.

There are **5 key indicators** that schools should expect to see improvement across:

- *the engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school*
- *the profile of PE and sport is raised across the school as a tool for whole-school improvement*
- *increased confidence, knowledge and skills of all staff in teaching PE and sport*
- *broader experience of a range of sports and activities offered to all pupils*
- *increased participation in competitive sport*

### **What is our approach to spending the Sports Premium?**

At Hurst Hill Primary, we believe that all children have an equal opportunity to participate in a broad and balanced curriculum according to their needs, abilities and interests.

Physical Education and healthy lifestyles are highly valued at Hurst Hill. We provide a broad and balanced curriculum that ensures all abilities are inspired and educated, strong relationships are nurtured, children are happy to participate in new challenges with a strong emphasis on all pupils succeeding in sport.

At Hurst Hill, we recognise the contribution of PE and sport to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School PE and Sport's Funding will enable us to continue and extend our provision through employing additional sports professionals, entering into more competitive sports competitions, improving sporting opportunities in the wider area and new sporting equipment.

### **Hurst Hill's Primary PESS Premium Objectives:**

- A) Promote children's knowledge and understanding of the short and long term benefits of fitness and exercise
- B) Raise teachers' skills, knowledge and understanding with the delivery of PE & Sports
- C) Involve qualified, specialist sports coaches in PE & Games lessons to support the mentoring of non-specialist teaching staff
- D) Improve PE and sports resources within our school
- E) Support and involve the least active children within additional curricular and extra-curricular learning opportunities
- F) Address the needs and interests of gifted and talented children
- G) Develop regional community sport club links as a means of providing a pathway for sporting continuity and progression
- H) Promote whole school ethos of active healthy lifestyles

Academic Year Commencing September 2018	
Pupils covered by premium as per census	274
Estimated amount of PE and Sport Funding allocation for 2018-2019	£18,580
Total Expenditure	<b>£26,465</b>
<b>Additional funding from Pupil Premium budget.</b>	<b>£7885</b>
