Key Vocabulary

The world is made up of 7 continents; Africa, Asia, Antarctica, Australia, Europe, North America and South America.

There are a number of ways in which people can travel the world; boat, aeroplane, and train.

People use a variety of languages to talk to each other and communicate.

All over the world people celebrate various traditions, eat special food, dress in special clothes and have different ways of life and beliefs.

Every Country has a specific flag as their national symbol. This is the British flag which is where we live.
