Spring Term Year 3/4

RHE

Living in the wider world

**Hurst Hill Primary School**  
**Learning Together**

During Spring Term, we will be focusing on:

**Rights and responsibilities**

**Taking care of the environment**

**Money matters**

**Key questions**

**How can I contribute in my community?**

**How can I protect the environment?**

**How can I save my money?**

What should I already know?

**Rights and responsibilities:** contributing to life in the classroom; constructing and following rules; awareness of needs of people and other living things; belonging to communities and groups

**Taking care of the environment:** improvements and harm to local environments; ways of looking after local environments

**Money matters:** sources of money; uses for money; spending and saving; role of money in their lives; managing money and keeping it safe; choices about spending; influences on spending choices

Key vocabulary:

Well-being— the state of being comfortable, healthy, or happy .

Anti-social- contrary to the laws and customs of society, in a way that causes annoyance and disapproval in others.

Rights- legal, social, or ethical principles of freedom or entitlement.

Responsibilities- being accountable or to blame for something.

Environment- the surroundings or conditions in which a person, animal, or plant lives

Debt- a sum of money that is owed or due .

Interest- money paid regularly at a particular rate for the use of money lent.

By the End Of The Unit Children will...

**Rights and responsibilities:** issues concerning health and wellbeing; the purpose of rules and laws; human rights; different cultures, customs and traditions of people living in the UK; anti-social behaviours and their consequences; difference between rights and responsibilities; resolving differences; critiquing media information

**Taking care of the environment:** taking care of the environment; our responsibilities towards our environment; being part of a community; different groups that support our communities and environment; the lives of other people around the world; how resources are allocated to communities

**Money matters:** the role that money plays in their lives; borrowing, debt and interest; enterprise
