

HURST HILL PRIMARY

June 2024

Dear Parents/Carers,

Transition meetings and Sports day- planned date 11th July

Transition meetings

The transition meetings give the opportunity for parents to receive information regarding the arrangements for their child's new September class. Following the meeting, parents will be asked to leave school premises to join the sports day on the field. In the event of the weather being inclement, the transition meetings will still go ahead as planned.

Current years 2, 3 4 and 5 - At 9am parents are invited to the transition meeting that will be held in the school hall.

Current Reception and year 1- At 1pm parents are invited to the transition meeting that will be held in the school hall.

Sports day

Weather permitting, we shall hold this year's KS1 and KS2 Sports Day on the field. The KS2 (years 3-6) event will begin at 9.45am and the KS1 (years 1 and 2) event will begin at 1.45pm. Please note that the events will begin after the transition meetings have finished.

The planned date for the EYFS (nursery and reception) sports event will be 9th July. Further details for this event will be sent in due course.

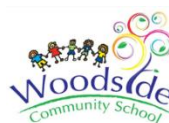

To ensure the safeguarding of our children all parents/carers must remain behind the crowd control tape that will be set up. Teachers will be responsible for children throughout the day so parents will not be allowed to cross over the field to their children. Parents who disregard the safety arrangements that are in place to protect our children will be asked to leave or the event may be cancelled, and further events will not be held on the field. There will not be any chairs for spectators so please feel free to bring your own chairs or picnic blankets. There will be no access to toilets. The PTA will be selling hot drinks for parents only. Children will have their own water bottles with them.

Parents who do not attend the transition meetings, should access the field using the entrance on Quilter Close.

Thank you for your continued support.

Yours sincerely

Mrs C Johnson
