Reception Class Monthly Updates

Welcome to our first monthly class update, this newsletter will give you an additional overview of what our pupils have been learning in May.

Last term, EYFS have been learning about '**All Creatures Great and Small**'. We have enjoyed learning about animals that live under the sea, on the farm and in the wild.

We have had the opportunity to meet and look after a range of real animals! When a farm came to visit us, we got to feed sheep, meet chickens and even stroke guinea pigs. We also hatched our own baby chicks in school! It was a great experience watching the baby chicks emerge from their eggs and begin to grow their feathers. There were 9 girls and 1 boy! Nursery children named our 10 chicks Damon, Josh, Sonic, Yellow, Sunny, Princess, Boy, Girl, Sweetheart and Cloudy. 😊 We were sad to see them go back to the farm after looking after them for 2 weeks, but we are excited to meet our new EYFS animal friends very soon... caterpillars!

This term, our topic is '**Growing and Changing**', focusing on plants, lifecycles, fruits, vegetables and celebrating how we have grown and changed over the past year too! We are so excited for upcoming events this term such as sports days, 'messy' celebration day and Nursery Graduation. Keep your eyes peeled for dates coming soon.

Mrs Rae 😊
Acting EYFS Lead
