

## EYFS Monthly Updates

Welcome to our monthly class update, this newsletter will give you an additional overview of what our pupils have been learning in June and July.

Please use this information to encourage your child to remember more by talking about their learning at home.

What a wonderful month it has been in EYFS! We've been busy exploring the amazing world of **growing and changing**.

The children have loved learning about how plants grow, including the different parts of a plant. We've been writing our own simple recipes and practicing labelling parts of plants — such a great way to build both our writing and science skills.

One of the highlights was learning about the life cycles of butterflies and frogs. We were so excited to watch our caterpillars transform into butterflies, and we even had a special moment releasing them in Forest School — it was truly magical.

Sports Day was a fantastic event! The children had so much fun taking part in the activities, and we want to say a huge thank you to all our parents for joining in and cheering everyone on. The children were thrilled during the medal ceremony — such proud smiles. This month, we also had the chance to meet a team England gymnast! The children had great fun trying on a real medal and joining in with a fitness circuit.

Finally, in these last couple of weeks, we will be learning about how **we** have grown and changed, reviewing and celebrating how much we have learnt over the year (including a fun messy play day and forest school session!)

Thank you for your continued support throughout this busy and exciting term. We look forward to more learning adventures together as we finish the year strong!

Kind regards,

Mrs Rae 😊

### Reminders

Wednesday 16<sup>th</sup> July — Nursery last day

Thursday 17<sup>th</sup> July — Nursery Leavers Graduation  
9.30am

Friday 18<sup>th</sup> July — Last day of term for Reception to  
Year 6 — 2pm finish

Reading together at home is the  
best way to help your child's  
progress at school!
