.....

Please Note: Dudley MBC also use this information to prevent and detect fraud, we will check with your local authority if you live outside of the Dudley Borough, to ensure our cross-border arrangements are clear and that any funded hours claimed by you do not exceed the total hours available.

The local authority where you take up your child's funded entitlement is responsible for funding the place even if you live in another local authority area.

Additional Support (AS) and Working Parent 2YO

From September 2025, there may be some circumstances where you wish to access a working parent 30-hour funded place and also meet the criteria for the 15-hours additional support entitlement; should you meet the eligibility criteria for both the Additional Support (AS) 2-year-old entitlement and the working parent entitlement, Dudley MBC has a duty to account for any hours available under the AS entitlement when determining how many hours you should be funded for under the working parent entitlement. This means that Dudley MBC must fund the first 15 hours under the AS entitlement before they fund any working parent hours.

If you are eligible for AS for the first 15-hours the local authority will make contact to inform you of this. However, you must remember to reconfirm your working parent code for the remaining 15-hours, when prompted to do so by Childcare Choices, so that your child keeps the working parent entitlement hours. You do not need to renew your AS entitlement as this stays with your child until they become eligible as a 3 -years-old.
