Celebrating Success

This week has been full of exciting developments at our school! All of our pupils have been working incredibly hard, and it was wonderful to have this recognised during a visit from the Director of Education for Hales Valley. During the visit, it was also noted that our school's behaviour is a real strength – something we can all be very proud of!

A special visit from Clare Mullen representing Parliament gave our Upper School pupils greater insight into Parliament in preparation for Parliament week which is coming up in November.

We're also excited to announce that the Junior Leadership Team has been selected, and they will begin their roles next week. A special congratulations to Harjeevan and Marni for being appointed Head Pupils – an amazing achievement! Our Deputy Head Pupils, Robbie and Olivia, will also play a key role in supporting the school community.

Reminders

- As always, just a polite reminder to all pupils, please remember to bring your planners, reading books, and make sure your uniform is neat and tidy each day.
- For Parents: If you have moved house, changed your telephone number, or your emergency contacts for school, then please let the school office know, so we can locate the correct contact in the event of an emergency.
- Punctuality Matters: The school bell rings at 8:55am. Please ensure your child arrives on time so they can start the day calmly and confidently.
- Mobile Phones: A gentle reminder that mobile phones should not be used on school grounds. This helps us maintain a safe and focused environment for everyone.
- Caring for others: Every Friday is foodbank Friday, and we continue to welcome donations, please hand them in to the school office.
- Holidays: Please note we do not authorise holidays during term time.
