

## **Risk Assessment actions taken by school: 1st June 2020**

The school and Trust have completed detailed risk assessments in order to minimise the risks for the return of more pupils from 2<sup>nd</sup> June. Key actions include:

- Pupils will remain in 'bubbles' of no more than 13 pupils
- Pupils in the bubbles will not mix, as far as possible
- School will limit the number of adults who will stay with the bubble
- Increased handwashing procedures in place
- Signage placed around school reminding everyone of expectations
- Classroom furniture has been reduced. Pupils will be taught at their own table, 2m apart
- Pupils will be provided with their own labelled stationery pack which will stay in school
- Resources such as iPads and chrome books will be cleaned before and after use
- PE equipment such as hoops and balls will be kept with the bubble and cleaned before and after use
- Pupils will be urged to socially distance 2m at all times. Movements around school will be limited. Pupils will be urged to socially distance when on the playground.
- Cleaning rotas have been increased with particular attention paid to touch points
- Dropping off and collection of pupils: parents will be asked to socially distance 2m at all times
- Parents urged to contact the school via phone or email. If parents need to come to school office they need to socially distance 2m at all times – 1 in and 1 out of the main entrance
- Pupils displaying symptoms (and wider illnesses):
  - Parents need to keep these pupils at home and contact school
  - Pupils will not be allowed to come to school for the required designated period.
- Pupils who display symptoms whilst in school:
  - They will be immediately isolated and parents informed to collect them
  - Parents will have to ring 111 in order to organise carrying out a test
  - Pupils will not be allowed to come back to school until the outcome of the test is shared with school
  - If the test is confirmed then all pupils in the class bubble may need to isolate for the expected period of time
