

Welcome to our Parents and Teachers Association

HALES VALLEY TRUST

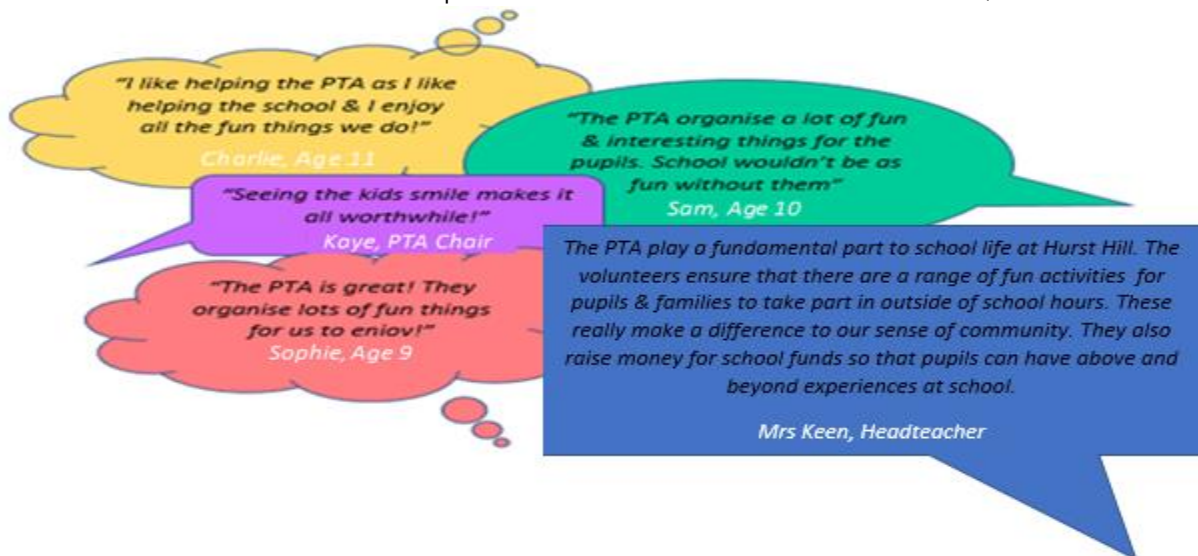

Our mission is to collaborate with the school community for the enrichment of the children of Hurst Hill Primary School

The PTA has been running for four years and in that time has raised over £6,000! The money raised is used to fund exciting experiences, activities and other things; such as pantomimes, year six leaver parties, Christmas presents for foundation unit from Santa, outdoor equipment and more.

The events and activities we host are either aimed specifically for the children (School discos, movie nights), for the whole family (Fairs, Bake Sales) or even just the adults (fashion shows) and all are thoroughly enjoyed.

Here are some quotes from our members and children;

Hurst Hill PTA is looking for new members & volunteers; we all know your time is precious so we only ask you to commit to what you can. We have lots of fun and exciting ideas that will really help to benefit our children but we need you to make these a reality or if you have ideas come & join the fun!
