

HURST HILL PRIMARY

HALES VALLEY TRUST

7th September 2020

Dear parents and carers,

We would like to confirm the guidance regarding absence due to illness.

Your child should not come to school with any symptoms of coronavirus.

The main symptoms of coronavirus are:

- A high temperature (over 37.8C)
- A new continuous cough- this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- A loss or change to sense of smell or taste different to normal

You should call 119 to book a test and advise school via ParentMail or the absence line (01384 818845 opt 1). Test results usually take around 48 hours. Whilst waiting for the results, all members of the household should isolate. Once the results have been returned, please call the school office who will advise you on when your child can return.

Children with diarrhoea or vomiting should not attend school until 48 hours after the last bout.

Other illnesses, such as sore throats and runny noses, do not require your child to be absent from school if they feel well enough to attend. School will be able to administer paracetamol for up to 48 hours with parental permission.

Thank you for your continued support

Mrs R Keen
Headteacher
