

HURST HILL PRIMARY

HALES VALLEY TRUST

Dear Parent/Carers,

As a school we continue to want to hear about the activities that the children usually do outside of school. We know from Star of the Week assemblies that there are a lot of talented pupils at Hurst Hill and we believe that it is something to celebrate.

We would like to update our register of the activities that children usually do outside of school, before Coronavirus. It could be swimming classes, football, dance, Kumon, languages, music; the list is endless. Having an updated record enables us to make judgements about the after school clubs we offer and would help us to support children better in the classroom.

Therefore, we could be grateful if you could complete the form below telling us about the children's interests and hobbies, and the levels that they have achieved in that field. Any copies of certificates can be sent when we return to school fully, not at the moment.

We will send update forms yearly but would appreciate it if you could let us know of any changes to the information that may occur throughout the year. The information will be kept in school and not shared elsewhere. Please tick to say that you agree to the children's information to be securely stored in school and certificates and first names being displayed in school.

Thank you for your co-operation. If you have any queries or need anything to help support your children's talents, please feel free to get in touch.

Kind regards

Mrs A Walker

Gifted and Talented coordinator
