

Dear Parents/Carers,

As a new school year begins, I would like to take this opportunity to welcome you and your children to Upper Key Stage Two. As your child is now in Year 5 or 6, it is expected that they take responsibility for their learning both in and out of school – including ensuring all homework is completed and handed in on time.

To help your child manage their workload, I have listed below the tasks to be completed weekly:

- Nuggets or tasks set on Century.
- Accelerated Reader books to be read daily for 20 minutes. Please record this in the reading record page of the student planners.
- Times Table Rock Stars to be used weekly by the children to revise their multiplication and division facts.
- Spelling rules will be set weekly, these need to be practiced daily.
- 

**Homework will be set through Google classrooms. Please log in every week to check the tasks set and enable your child to access the required documents.**

**Please refer to the attached letter, which provides details and instructions on how to log into Google classrooms.**

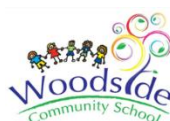

**Your child's log in details are written in their school planners.**

**If you experience any issues, please contact [isupport@hurst-hill.dudley.sch.uk](mailto:isupport@hurst-hill.dudley.sch.uk)**

There are many other things accessible, through logging into RM Unify that can be used to support your child's learning, such as: J2E, Purple Mash and MyOn. Please ensure that all set homework is completed, before continuing to use the additional resources. Please ensure that all Accelerated Reader quizzes are done at school (not at home) as this will allow your class teachers to assess your child's reading level and increase as appropriate.

Thank you in advance for your support with homework,

Miss J Abley  
Years 5&6 Phase Leader
