

HURST HILL PRIMARY

HALES VALLEY TRUST

Dear Parents

I have been asked by the Dudley safeguarding board to make you aware of an exceedingly violent film clip circulating globally on social media. Sadly this clip depicts extreme abuse and captivity. These images are extremely distressing and could have a negative impact on anyone who watches them. I have been informed that these images have been popping up on Tik Tik and may also be circulating on other sources of social media.

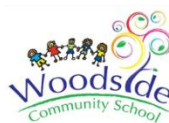

I would therefore like to request that you are extra vigilant about what your child is accessing online. I ask that you remind your children on how they can stay safe in the digital world and what they should do if they ever come across anything they find distressing. I highly recommend the 'Internet Matters' website for additional support should you require it. You can download a parent pack from the following URL link. <https://www.internetmatters.org/schools-esafety/parent-online-support-pack-teachers/>

As Online safety practitioners we do ensure that children are educated to follow the SMART rules as detailed in their planners, but your ongoing support can reinforce set guidelines at home too.

I would like to thank you in advance for your continued support. Please remember you can contact your child's class teacher via the info@hurst-hill.sch.uk should you require advice regarding online safety.

Mrs Johnson

CEOP Ambassador
