

Home Learning timetable Year 1 and 2

During this difficult time we know that when working from home structure is important, so this is a timetable that we have created for you and your child to follow. Please remember that this is a suggested timetable only. We understand that timings may vary for you and your family depending on work patterns etc. The timings can be changed for your convenience. On Google Classroom, please ensure that all work is completed daily and that it is then 'turned in' and that you also complete the daily register, you can mark that you are working from home on the register at any point throughout the day. Thank you.
