

Home Learning timetable Year 3 and 4

Structure is important when working at home, so we have created a timetable for you and your child to follow. Remember this is a suggested timetable only. We understand that timings may vary for you and your family depending on work pattern etc. Timings can be changed for your convenience. Please ensure that all work is completed daily. You can log on at any point in the day and click on the working from home link. Thank you.
