This is the outdoor environment

Reception is in the Early Years unit.

Your classroom will be full of exciting challenges and lots of super toys to learn and play with.

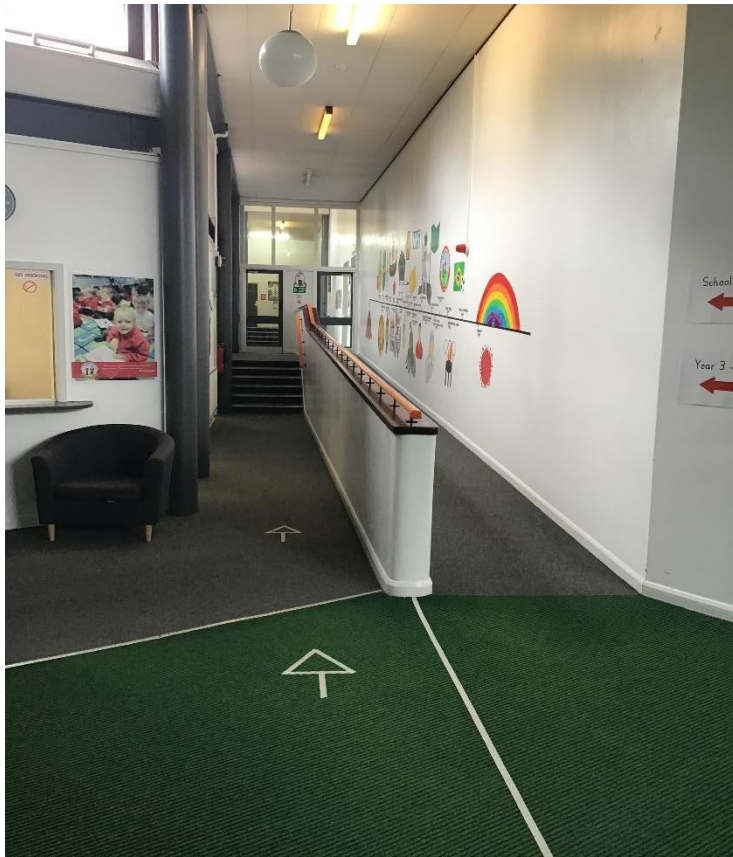

The outside classroom is another space to play and learn. What are you going to do first?

You will have your own special peg where you can hang your coat and your PE bag. It will have a picture and your name on it.

You will have your own special tray where you can put your book bag. It will have a picture and your name on it.

This is the corridor you will walk up to the dinner hall. We follow the arrows on the floor. We have to be quiet and walk sensibly when going to lunch.

These ladies work in the dinner hall.

This is where you will have your dinner and be able to try lots of lovely new foods.

You will have to sit at a big table to eat your dinner.
What are you going to have?
Sandwiches or a hot dinner with cake... yummy.

...

Your uniform is going to be red.
You will have a red jumper or cardigan, grey skirt,
dress or trousers and a white polo shirt.

You are going to look really smart.

The Reception Team are looking forward to meeting you in September.
We would like to hear all about your exciting experiences. You can ask your mommy or daddy to upload
photographs on to Tapestry – our on-line portal.

Then we will be able to talk about the holidays together as a class 😊

We have sent you a home learning pack too, so that you can practice your name and numbers ready for a
super start in Reception.

We would also like you to bring small box of special memories and items such as photographs to share with
your teacher. Please bring this with you during the first week, as it will help us to get to know you better
and plan fun activities that you will enjoy.

See you soon 😊
