

HURST HILL PRIMARY

HALES VALLEY TRUST

Dear Parents / Carers,

As the end of term is rapidly approaching, I am writing to inform you of the transition arrangements we are putting in place to support your children as they move into their new classes. You will receive formal notification of your child's class on Monday 19th July, when it comes home with their school report. The following information has already been shared on the school newsletter but just to clarify:

The children's meet the teacher afternoon is 16th July. Their new teacher will move to each class to meet your children in their current classroom. The current Y3/4 will remain in their classroom and will receive a video presentation from their new teacher, so we don't mix bubbles in school. This will be our only mixed class next year when they move into Y4/5. Our teachers have planned a range of activities and information to share with all pupils, to build relationships and familiarise pupils with new routines and expectations. We are all really excited!

Further transition has already happened in school for our nursery pupils moving into Reception. Parents have received packs, questionnaires and induction slides to support pupils and families.

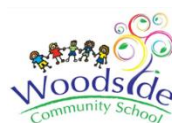

Further transition has already happened with our current Y6s to aid their move to high school. Many high schools have visited us at Hurst Hill, virtual tours / information has been provided and of course, all our leavers' plans which we are really looking forward to.

Parents and carers will receive a digital presentation on the 19th July, detailing information about our curriculum as well as school uniform, including PE kit. Each day all children need a school bag (not large) and water bottle filled with water. We will email parents a letter with the video links on.

If you have any further questions, please ring the school office.

Kind regards

Mrs R Keen
Head Teacher
