

HURST HILL PRIMARY

HALES VALLEY TRUST

Dear Parents / Carers

With the rates in the Dudley area still continuing to rise please find below some information relating to vaccinations, local mobile testing and household LFT testing.

Vaccination information

If you haven't had your first vaccination, please follow the link below to find out how and where you can get this done

<https://www.blackcountryandwestbirmccg.nhs.uk/your-health-services/health-advice/covid-19-vaccination>

Local mobile testing

A coronavirus testing centre is being set up on the Royal British Legion car park on Ruiton Street, Lower Gornal, DY3 2EH. Anyone that needs to access the test site can do so from Friday 9 July, appointments must be booked in advance. You can do this by calling 119, or online at

<https://www.gov.uk/get-coronavirus-test>

The testing centre will be open 9am-6pm, every day initially for the next two weeks. It can be accessed by car or on foot. The site is for people with COVID-19 symptoms, generally feeling unwell or think they have been in contact with someone with COVID-19 to get a PCR test.

Lateral flow testing

As a reminder, it's still recommended we are all lateral flow testing (LFT) twice a week, washing hands, wearing a face covering, meeting outdoors where possible, adhering to social distancing guidelines, and getting the vaccine when offered.

LFT tests are free and below is how you can order them

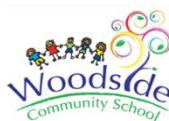

Home delivery: <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Local collection point: <https://maps.test-and-trace.nhs.uk/>

Thank you for your continued support.

Yours Sincerely

Mrs R Keen
Head Teacher
