Dear Parents and Carers

Afterschool club provision

Following a consultation with the staff, governors and the Board of Directors, we have taken the difficult decision to permanently close After School Club provision at Hurst Hill. The numbers have been low during the last academic year and the demand has not been sufficient to adequately cover the running costs.

We appreciate that this may cause difficulties for some working families and we are sorry for this. If you need any help with signposting to external provision, then please do contact the school and we will do all we can to help you. We have included a link to Dudley Local Authority Family Information Service below which you can use to search for child care in the area, together with a link to Ofsted registered childminders.
