

Privacy Notice

(How we use pupil information)

September 2021

V7

We, Lutley Primary School, Lapal Primary School, Woodside Primary School and Nursery, Hurst Hill Primary School and Nursery and Priory Primary School are trading on behalf of Hales Valley Trust; the MAT is the data controller for the purposes of Data Protection Law.

Why do we collect and use pupil information?

We collect and use pupil information under the following Acts of parliament and associated legislation: The Education Act, amendments and accompanying regulations – For example; Section 537A of the 1996 Act enables the education setting to collect information to perform the Department of Education's termly census.

Section 40(2)(a) of the Childcare Act 2006 - early years foundation stage and Section 87 of the Education Act 2002 - key stage 1 and key stage 2, enables primary age education settings to collect information for the assessing and reporting of the national curriculum

There are various versions of the Education Act both preceding and following the 1996 Act that have influence on what information is required and how it is processed such as: The Education Reform Act 1988, Further and Higher Education Act 1992, Education Act 1994, School Standards and Framework Act 1998, Teaching and Higher Education Act 1998, Education Act 2002, Higher Education Act 2004, Education Act 2005, Education and Inspection Act 2006 and Education Act 2011, The Education (Pupil Information) England Regulations 2005 and associated regulations and statutory instruments.

Where appropriate we also rely on:

The Children Act and subsequent amendments
The Common Law Duty of Care
Health and Safety at Work Act
Working together to Safeguard Children Guidelines (DfE)
Equality Act 2010
The Disability Discrimination Act,
Special Educational Needs (SEN) Code of Practice
Safeguarding Vulnerable Groups Act
Limitation Act 1980

We collect and use the pupil information, for the following purposes:

- To support pupil learning.
- To monitor and report on pupil progress.
- To provide appropriate pastoral care.
- To assess the quality of our services.
- To comply with the law regarding data sharing.
- To keep children safe. (Food allergies, or emergency contact details.)
- To meet the statutory duties placed upon us for DfE data collections.

The categories of pupil information that we collect, hold and share include:

- Personal information (such as name, unique pupil number, contact details and address, relevant medical information.)
- Characteristics (such as ethnicity, language, gender, religion, date of birth, , free school meal eligibility, special educational needs.)
- Special educational needs (including the needs and ranking.)
- Safeguarding information (such as court orders and professional involvement.)
- Medical and administration (such as doctors information, child health, dental health, allergies, medication and dietary requirements.)
- Attendance information (such as sessions attended, number of absences and absence reasons, national curriculum assessment results, any exclusion information, where they go after they leave us.)
- Assessment and attainment information (such as EYFS, Key Stage or internal academic assessment information, post 16 courses enrolled for and any relevant results.)
- Behavioural information (such as exclusions and any relevant alternative provision put in place)

For a further example of the information typically held by schools, please see the Department for Education (DfE) Common Basic Data Set, here:

<https://www.gov.uk/government/publications/common-basic-data-set-cbds-database>

Collecting pupil information

We collect pupil information via registration forms at the start of the school year, Common Transfer File (CTF) or a secure file transfer from previous school.

Whilst the majority of pupil information you provide to us is mandatory, some of it is provided to us on a voluntary basis. In order to comply with data protection legislation, we will inform you at the point of collection, whether you are required to provide certain pupil information to us or if you have a choice in this and we will tell you what you need to do if you do not want to share this information with us.

We intend to collect consent to process information for photos, school trips; please note, you have a right to withdraw consent at any time and can contact the school to do this

If you provide us with contact details of others, for example, in case of emergency or when you may not be available please ensure that they are aware their information has been passed to the school.

We will also receive the above types of personal information, where relevant, from the previous educational setting and may also receive information from the Local Authority (LA) and the DfE.

Storing pupil data

The information we collect, use and store about pupils and their parents/carers is retained on our computer systems and in paper files, either until it is updated/superseded or until the pupil leaves the school where it will be passed on to the receiving school in accordance with the Education (Pupil Information) England Regulations 2005. Records are retained by a Secondary school for the period of 25 years from the Date of birth of the Child. Further information on how long schools retain information can be seen in the Information Records Management Society Toolkit for schools.

Who do we share pupil information with?

- Relevant staff within the school
- Schools that the pupils attend after leaving us
- Our local authority
- The Department for Education (DfE)
- NHS/Health Services/School Nurse: provides preventive and screening services, health education and assistance with decision-making about health, and immunization against preventable diseases.
- NHS Test and Trace and Public Health England a central part of the government's (COVID- 19) recovery strategy. This includes School life, which is Dudley Public Health's infectious disease management system.
- RM Integris (RM Integris is a cloud based school Information management system. The system records assessments, attendance, behaviour, student and staff data across individuals, groups, classes and years)
- Parentmail (ParentMail is the app used to communicate between the school and the parent. The personal data used is name of the parent/guardian and their contact details. These are obtained from the school's management information system. To access the app the parent/guardian is invited to download the ParentMail app)
- Inventory (As part of the school's visitor management system we will ask for your name, who you work for, and car registration. We will also record when you arrive and when you leave the school. This information is to ensure that we meet our duty of care under health and safety and the safeguarding of our children. Our data retention period for this information is current year + 6 years. Please note that we will also take a photograph of you and this will be retained on our visitor management system in order for us to use again should you visit us again. If you would prefer your photograph to be removed from the database once your visit is complete please advise either our receptionist or your host)
- DGfL (Dudley Grid for Learning is a partnership between Dudley educational establishments, Dudley Metropolitan Borough Council and RM Education. DGFL provides our school with a fully managed ICT service)
- E-Safe Monitoring Service (e-Safe is a fully outsourced, monitoring and incident review service that helps monitor student, staff and guest use of a school's IT facilities to identify early warning of safeguarding risk)
- Micro Librarian Systems (a self-service library management system promoting reading and information culture, motivating independent readers and learners for life whilst developing ICT skills).
- Microsoft Online Services – Microsoft Office 365 (Microsoft Office 365 provides powerful online cloud services that enable collaboration, security and compliance)
- RM Education (RM Education specialises in providing information technology products and services to educational organisations and establishments)
- RM Unify (RM Unify is a cloud based educational platform which allows teachers and students to access resources on the internet easily. RM Unify makes this easier by allowing you to setup one username and password to remember for all of these services)
- Times Table Rock Stars (Times Tables Rock Stars is a carefully sequenced programme of daily times tables practice aimed at schools)

- CPOMS (safeguarding) (CPOMS is the software application for monitoring child protection, safeguarding and a whole range of pastoral and welfare issues. CPOMS is an intuitive system to help with the management and recording of child protection, behavioural issues, bullying, special educational needs and domestic issues. Using CPOMS, schools can ensure that students are safe and fully supported, whilst school staff can focus on teaching and providing support)
- GL Assessment (Pass Survey Pupil Attitude to Self and School PHSE) Psychometric assessment specifically designed to spot attitudinal or emotional issues in children before they impact on school performance
- SHEU (School Survey- (School Survey) Health and Wellbeing Boards, Primary Care Trusts, Community Health Partnerships (CHP) and Local Health Boards (LHB) use our services to provide base-line data about the health related behaviour of young people in their area
- IRIS Connect CPD for Teaching Staff- Dual view technology and new high-quality audio recording ensures you capture every interaction in the classroom. All classroom videos are automatically uploaded directly to secure IRIS account in the IRIS Connect platform, ready to reflect on or share later for CPD. All accounts are password protected/ Staff are unable to download videos.
- Purple Mash (Purple Mash is a cross-curricular website for nursery and primary school children. It enables children to explore and enhance their knowledge in a fun and creative way)
- Papercut (PaperCut is a print and copy output management software solution for our Multi-Functional Devices)
- Tapestry (An online journal recording all the learning and fun of children's early years' education. Tapestry allows staff to capture children's learning using iPod and iPad whilst in Nursery and Reception.)
- Pixton Comic Maker (A comic and storyboard creator for children. Children can make their own online comic book story. Available via RM Unify)
- PSF – Accounting system (Accounting, purchasing and reporting management software)
- DBSB – online Training System (The Dudley Safeguarding Children Board is responsible for making sure individuals and organisations represented on the board such as the police, Fire Service, NHS, Dudley Council, voluntary sector organisations, the ambulance service and schools etc. safeguard and promote the welfare of children and young people in Dudley)
- School Suppliers (i.e. Braiswick) / Trading Services)
- Bug club/Maths Factor (Active Learn – Educational software and learning resources)
- Hamilton Trust
- Evolve(online risk assessment for educational visits)
- Bibs and Balls (Sports coaching)
- Scratch (a programming language code. Helps young people to think creatively, reason systematically and work collaboratively.)
- Living Streets. org.uk (the year round walk to school challenge. Pupils record how they get to school on the online WOW travel tracker.)
- Vaccination UK Ltd (administer the flu vaccine to pupils)
- Century (A learning resource) teaching and learning platform for schools, colleges and universities uses artificial intelligence to learn how every brain learns. Personalised online learning.
- Google G Suite for Education (learning resource) An integrated suite of secure, cloud-native collaboration and productivity apps powered by Google AI.
- Scratch.org Prodigy Maths Educational software and learning resources – an online resource for children to learn about coding, programming and creating their own animations and interactive stories to share.
- Assembly Analytics- (Online dashboard: combines key MIS data with standardised assessment and financial data to give reliable benchmarks for our schools and Hales Valley Trust.)
- Renaissance- (app used for accelerated reading tool for monitoring and managing independent reading practice)
- Power Maths (Online learning app for children)
- Phonics Tracker (Online assessment tracking system for tracking phonics progress)
- White Rose Maths (online learning)

- Zoom – cloud computing, allows school to communicate with staff, School Governors, parents, pupils and other key stakeholders.
- Microsoft teams is part of office 365 and allows school to communicate with staff, school governors, parents and other key stakeholders.
- Cloud- method for delivering information technology (IT) services in which resources are retrieved from the internet through web-based tools and applications.
- Sharepoint- allows the movement of electronic storage from a local server to a cloud based system.
- Wonde (obtains personal data from school's management information system to ensure the management and distribution of the food voucher scheme during COVID)
- Rising Stars (Reading Planet) – educational software to support pupil learning, mark and record assessment results, monitor and report pupils progress, assessing the quality of reading.
- Edenred – National free school meals voucher scheme
- Mark – (Educational software for assessment and reporting, inputting pupil's scores, viewing gap analysis to inform teaching and generating bespoke reports).
- MOTE (Software app that can be used in Google classrooms to provide voice notes apps to enable Teachers to provide feedback to pupils)
- Loom (Software which enables teaching staff to record lessons for children to access in their own time)
- Spelling Shed (educational software , learning resource, a spelling platform designed to make spelling fun .
- Reading Rocks- a company that supplies reading packages
- Children's University as part of an NFER survey.

We are committed to working with the local authority in protecting and safeguarding children and young people in the Borough. As a consequence we intend, where relevant to do so, share information with the Multi-Agency Safeguarding Hub (MASH) which is a co-located arrangement of agencies including the local authority, Police, NHS Trusts and Probation Service integrated into a multi-agency team.

The MASH is the single point of contact for safeguarding concerns, and the MASH share information appropriately and securely on children or young people in order to take timely and appropriate actions. The teams also provide information and advice across a range of child and family services.

Where a pupil/parent/carer has been involved in an accident, an Accident/Incident Report Form will be completed which will include details of the accident including information about you. This information will be passed to the Corporate Health and Safety Team at the local authority. This information will be accessed by Dudley MBC employees, who legally require access to this data, for purposes related to this incident, and may be shared with others to allow us to comply with our statutory duties'.

- CPOMS
- DSL in relevant MAT
- Police Authority
- Children's Services
- Department For Education
- Local Authority
- Governors for Multi Academy Trust

Why do we share pupil information?

We do not share information about our pupils with anyone without consent unless the law and our policies allow us to do so.

We share pupils' data with the Department for Education (DfE) on a statutory basis. This data sharing

underpins school funding and educational attainment policy and monitoring.

We are required to share information about our pupils with the (DfE) under regulation 5 of The Education (Information about Individual Pupils) (England) Regulations 2013.

Local Authorities

We may be required to share information about our pupils with the local authority to ensure that they can conduct their statutory duties under

- the Schools Admission Code, including conducting Fair Access Panels.

Department for Education

The Department for Education (DfE) collects personal data from educational settings and local authorities via various statutory data collections. We are required to share information about our pupils with the Department for Education (DfE) either directly or via our local authority for the purpose of those data collections, under: regulation 5 of The Education (Information about Individual Pupils) (England) Regulations 2013.

All data is transferred securely and held by DfE under a combination of software and hardware controls, which meet the current government security policy framework.

For more information, please see 'How Government uses your data' section.

CCTV

This section of the privacy notice relates to our CCTV System, including, but not limited to, where it has been installed on the outside of the buildings of Woodside Primary School and Hurst Hill Primary School.

What personal information does this service use?

The CCTV system captures images of people and vehicles in and around where a camera is located. Where fixed CCTV cameras are operating, there will be signs clearly displayed. Images captured by CCTV will not be kept for longer than 30 days. However, on occasions there may be a need to keep images for longer, for example where a crime is being investigated.

What is this personal information used for?

We use this personal data for the following reasons:

- a) To increase personal safety of pupils, staff and visitors, and reduce the fear of crime.
- b) To protect the school buildings and their assets.
- c) To support the Police in a bid to deter and detect crime.
- d) To assist in identifying, apprehending and potentially prosecuting offenders.
- e) To protect members of the public and private property.
- f) To assist in managing the school.

What is the lawful basis we are relying on?

We collect and use this information to ensure the school can undertake its remit to educate children ensuring personal safety of pupils, staff and visitors, protecting school buildings and its assets and to assist in managing the school (Article 6(1)(e) of the General Data Protection Regulation). The school will use the 'Passport to Compliance', issued by the Surveillance Camera Commissioner to ensure that the surveillance camera system complies with the Guiding Principles set out in the Surveillance Camera Code of Practice published by the Home Office as a requirement of the Protection of Freedoms Act 2012.

Where has your personal information come from?

The images are captured because you are present in the area which is covered by the CCTV system.

Who will we share this personal information with?

Your personal data is shared securely with the following, where it is both necessary and appropriate to do so:

- Relevant staff within the school.
- Our local authority.
- The Police.

Requesting access to your personal data

Under data protection legislation, parents and pupils have the right to request access to information about them that we hold. To make a request for your personal information, or be given access to your child's educational record, contact Racheal Jones (**Chief Operations Officer, Hales Valley Multi Academy Trust C/O Woodside Primary School, Highgate Road, Dudley DY2 0SN.**)

You also have the right to:

- Object to processing of personal data that is likely to cause, or is causing, damage or distress.
- Prevent processing for the purpose of direct marketing.
- Object to decisions being taken by automated means.
- In certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed and a right to seek redress, either through the ICO, or through the courts.

If you have a concern or complaint about the way we are collecting or using your personal data, you should raise your concern with us in the first instance or directly to the Information Commissioner's Office at <https://ico.org.uk/concerns/>

For further information on how to request access to personal information held centrally by DfE, please see the 'How Government uses your data' section of this notice.

Withdrawal of consent and the right to lodge a complaint

Where we are processing your personal data with your consent, you have the right to withdraw that consent. If you change your mind, or you are unhappy with our use of your personal data, please let us know by contacting **Chief Operations Officer (info@halesvalleytrust.org.uk)**

How Government uses your data?

The pupil data that we lawfully share with the DfE through data collections:

- Underpins school funding, which is calculated based upon the numbers of children and their characteristics in each school.
- Informs ‘short term’ education policy monitoring and school accountability and intervention (for example, school GCSE results or Pupil Progress measures.)
- Supports ‘longer term’ research and monitoring of educational policy (for example how certain subject choices go on to affect education or earnings beyond school.)

Data collection requirements

To find out more about the data collection requirements placed on us by the Department for Education (for example; via the school census) go to <https://www.gov.uk/education/data-collection-and-censuses-for-schools>

The National Pupil Database (NPD)

Much of the data about pupils in England goes on to be held in the National Pupil Database (NPD).

The NPD is owned and managed by the Department for Education and contains information about pupils in schools in England. It provides invaluable evidence on educational performance to inform independent research, as well as studies commissioned by the Department.

It is held in electronic format for statistical purposes. This information is securely collected from a range of sources including schools, local authorities and awarding bodies.

To find out more about the NPD, go to <https://www.gov.uk/government/publications/national-pupil-database-user-guide-and-supporting-information>

Sharing by the Department

The law allows the Department to share pupils’ personal data with certain third parties, including:

- Schools
- Local authorities
- Researchers
- Organisations connected with promoting the education or wellbeing of children in England
- Other government departments and agencies
- Organisations fighting or identifying crime

For more information about the Department’s NPD data sharing process, please visit:

<https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

Organisations fighting or identifying crime may use their legal powers to contact DfE to request access to individual level information relevant to detecting that crime. Whilst numbers fluctuate slightly over time, DfE typically supplies data on around 600 pupils per year to the Home Office and roughly 1 per year to the Police.

For information about which organisations the Department has provided pupil information, (and for which project) or to access a monthly breakdown of data share volumes with Home Office and the Police please visit the following website: <https://www.gov.uk/government/publications/dfe-external-data-shares>

To contact DfE: <https://www.gov.uk/contact-dfe>

How to find out what personal information DfE hold about you

Under the terms of the Data Protection Act 2018, you are entitled to ask the Department:

- If they are processing your personal data
- For a description of the data they hold about you
- The reasons they're holding it and any recipient it may be disclosed to
- For a copy of your personal data and any details of its source

If you want to see the personal data held about you by the Department, you should make a 'subject access request'. Further information on how to do this can be found within the Department's personal information charter that is published at the address below:

<https://www.gov.uk/government/organisations/department-for-education/about/personal-information-charter>

To contact DfE: <https://www.gov.uk/contact-dfe>

Last updated

We may need to update this privacy notice periodically so we recommend that you revisit this information from time to time. This version was last updated on **2nd October 2020**.
