

HURST HILL PRIMARY

1st November 2021

Dear Parents/Carers

Following the past successes of the visit to our UKS2 children by the historical reenactment company TimeZone, we are excited to announce that they will be returning to visit the children in Reception. We are very excited as this is a new exciting experience for our younger children.

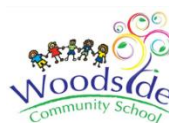

During Reception provision this term, your child will be learning about the world around them and how people, places and toys evolve over time. We have therefore arranged for a day of fun filled learning: children will be able to dress up and reenact life from the past; they will be able to observe and take part in theatrical performances; they will explore and handle historical artefacts as well as play games that our ancestors would have experienced.

All children in Reception will be invited to join in the day of fun and excitement, but we do ask for **a contribution of £7.50 per child**. This is considerably cheaper than escorting children on a day trip and we feel is much safer considering the impact of COVID.

Please can you ensure payments are received by 17th November. Payment can be made via Parent Mail.

Thank you in advance for your continued support. Without your contributions we would not be able to provide memorable experiences for your children - we are extremely grateful.

Mrs C Johnson.
Deputy Head Teacher
