

HURST HILL PRIMARY

1st March 2022

Dear Parent/Carer

The children in 4/5DJ and 5MJ have been inspired by their recent reading to raise money for Amnesty International.

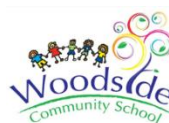

The children suggested giving up their playtimes for one week to walk a mile of the playground during the week beginning the 7th March. We have set up a Just Giving page for anyone who feels they could donate to our cause, and we would be very grateful if you could share the link far and wide so we can raise as much money as possible for this amazing charity.

They have been reading a book called Kick by Mitch Johnson, sales of which support Amnesty International with their work around the world protecting the rights of people. Kick, follows the story of a young boy called Budi, who dreams of being a professional footballer. In reality, he works long hours for little pay in a dangerous factory making football boots. They have all been struck by the harshness of his life, and although it is a fictional account, they have been investigating the reality for many children around the world who have to live and work in horrendous conditions.

As teachers, we are immensely proud of the caring nature of our children, one of our school values, and the fact that they wanted to help. The just giving page can be found at the following link <https://www.justgiving.com/fundraising/hurst-hill3>

Thank you so much for your support and to all our caring children.

Mrs D Jones
Class Teacher
Hurst Hill Primary School
