

**HURST HILL PRIMARY**

12<sup>th</sup> October 2022

Dear Parents/Carers

We are really pleased to announce that as part of our science topic on space and the solar system, we will be having a mobile planetarium visiting school during the afternoon of Wednesday 9<sup>th</sup> November. The children work in two small groups and will have the opportunity to visit the planetarium and watch a fabulous show all about space. The final show ends at 2.55pm, so the children will be ready to be collected at the end of the day.

We are lucky enough to have secured funding, so the cost of the visit will be completely free. We are sure that the children will benefit hugely from this experience and would be very grateful if you could ask them questions about what they have learnt when they come home that evening.

Thank you for all your support

Mrs Jones  
Year 5 Teacher and Science Leader
