

HURST HILL PRIMARY

5th January 2022

Dear Parent/Carer

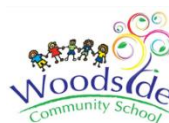

Further to the Expression of Interest form previously sent, we are delighted to confirm that 3SW's TimeZone visit will be on Thursday 16th February.

TimeZone are an historical re-enactment company, and we have arranged for a day of fun-filled learning: children will be able to dress up and re-enact life from the past, take part in theatrical performances and handle historical artefacts all about the Stone Age. TimeZone will travel to Hurst Hill for the day as this is considerably cheaper than escorting children and paying coach costs. The cost for this experience is £13 per child.

A payment item is available in the shop on ParentMail and must be paid by Friday 3rd February.

Thank you for your continued support

Mrs S Westwood
Year 3 Teacher
